How long does it take before my domain name is working? A. Once your payment is processed we immediately register and configure your custom domain name for tumblr. It may take up to 72 hours before your domain name propagates across the web. Q. What happens to my tumblr URL, do I lose it? A. No. You will always have your original tumblr address the only difference now is that when people type "mycoolsite.tumblr.com" your custom domain name "mycoolsite.com" will show in the address bar. Nothing else changes. You still log in to your tumblr dashboard the same way, post using tumblr the same way, the only thing that changes is your tumblr domain name. Q. How do I create email accounts for my app? A. In your welcome email you are provided the log in credentials to a super easy to use control panel that will allow you to create and manage unlimited email accounts. It takes about 30 seconds to create an email account. Q. What kind of

support does Gottumblr provide? A. Zombie Kind! Gottumblr provides 24 hour 7 day a week customer service for all issues regarding your domain name, email, sub-domains, and control panel.
