

The 10 Commandments Then And Now (Value Books)

This new study views God's ancient law, handed down to Moses at Mount Sinai, from the perspective of twenty-first century Christian faith. The Ten Commandments contain both timeless moral laws and rules that help people understand and relate to God. Since the apostle Paul said, "We know that the law is good if a man uses it properly" (1 Timothy 1:8 NIV), and since Jesus came to fulfill the law (Matthew 5:17), this study of the Ten Commandments with a separate chapter for each rule can reveal truths to encourage, challenge, and build believers up in their faith.
