

A Pocket Guide to Shakespeares Plays

Going to see Shakespeare and want a quick run-down on the plot? Studying Shakespeare and want to know who's who? Teaching the Henrys and need a handy guide to histories? A Pocket Guide to Shakespeares Plays gives all this and more:--an introduction to Shakespeare and his times--a note on the sources--cast lists--a synopsis for each play--main character descriptions--an essay on 38 plays. An essential, concise, and readable guide to all thirty-eight of Shakespeares plays. A Pocket Guide to Shakespeares Plays is an invaluable resource for anyone with an interest in the greatest of all English-language playwrights. Equally useful for actors, directors, and students--as well as for anyone planning to see a Shakespearean play--this book offers a great deal of information about Shakespeare in an accessible, succinct format. It looks at Shakespeare and his works from virtually every possible angle, including a section on Shakespeare and his time; a note on his sources; a synopsis of each play; descriptions of the main characters, which take note of the differences between the characters on the page and how they have been portrayed on the stage; and a brief, insightful essay on each work, which helps put the play in the context of Shakespeares time as well as our own.

it is to use a custom domain name with tumblr. Watch this Video that will show you how to create custom e-mail accounts for your tumblr blog. Loved by Our Customers "I've been with a lot of different hosts and can honestly say you're the best, cheers." - Sara A. saraanicic.com How it Works 1. Search for the domain name you want or use a domain name you already own. 2. Select Tumblr from the drop down menu and enter your current tumblr blog url "mysite.tumblr.com". 3. Done. Our platform automatically configures your custom domain name to work with your tumblr blog. 97% of Customers Recommend Gottumblr. Frequently Asked Questions Q. How long does it take before my domain name is working? A. Once your payment is processed we immediately register and configure your custom domain name for tumblr. It may take up to 72 hours before your domain name propagates across the web. Q. What happens to my tumblr URL, do I lose it? A. No. You will always have your original tumblr address the only difference now is that when people type "mycoolsite.tumblr.com" your custom domain name "mycoolsite.com" will show in the address bar. Nothing else changes. You still log in to your tumblr dashboard the same way, post using tumblr the same way, the only thing that changes is your tumblr domain name. Q. How do I create email accounts for my app? A. In your welcome email you are provided the log in credentials to a super easy to use control panel that will allow you to create and manage unlimited email accounts. It takes about 30 seconds to create an email account. Q. What kind of support does Gottumblr provide? A. Zombie Kind! Gottumblr provides 24 hour 7 day a week customer service for all issues regarding your domain name, email, sub-domains, and control panel. Visit our support page.
