

The Art of War by Sun Tzu (Strategy Wisdom Book 1)

The Art of War is a classic of military strategy. It is ascribed to Sun Tzu, also named Sunzi or Sun Wu, a quasi-legendary figure. The work has been dated from between the 6th to the 3rd century BCE. It is known worldwide and is read widely by students of military and political science. As with other classics, many of its themes are timeless and quotations from the work can be meaningful apart from the thousands of years which separate us from the time and place of its creation. The present work is a new edition based on the original translation of James Legge. The 19th century English prose of Legge is awkward to our modern ears, and slows down our reading and appreciation of this classic. The Art of War is not a long book, but historically it has always been sold along with hundreds of pages of introduction, commentary, and analysis. More often than not that commentary itself is hard to understand, as much of it is hundreds or thousands of years old, and translated into the same awkward English prose. This modern edition is meant to communicate the authentic essence and meaning of this work in modern, accessible English prose, focusing only on what can be clearly conveyed and understood, and jettisoning the rest.

Gottumblr configures domain names to work with tumblr Home About Us Contact Us FAQ's Customers Products and Services For Businesses "Take Ownership of what you Create and Express on Tumblr" Call Us! 480-788-4495 How to Get a Free Domain Name for Your Tumblr Blog? accounts for your tumblr blog. Loved by Our Customers "I've been with a lot of different hosts and can honestly say you're the best, cheers." - Sara A. saraanicic.com How it Works 1. Search for the domain name you want or use a domain name you already own. 2. Select Tumblr from the drop down menu and enter your current tumblr blog url "mysite.tumblr.com". 3. Done. Our platform automatically configures your custom domain name to work with your tumblr blog. 97% of Customers Recommend Gottumblr. Frequently Asked Questions Q. How long does it take before my domain name is working? A. Once your payment is processed we immediately register and configure your custom domain name for tumblr. It may take up to 72 hours before your domain name propagates across the web. Q. What happens to my tumblr URL, do I lose it? A. No. You will always have your original tumblr address the only difference now is that when people type "mycoolsite.tumblr.com" your custom domain name "mycoolsite.com" will show in the address bar. Nothing else changes. You still log in to your tumblr dashboard the same way, post using tumblr the same way, the only thing that changes is your tumblr domain name. Q. How do I create email accounts for my app? A. In your welcome email you are provided the log in credentials to a super easy to use control panel that will allow you to create and manage unlimited email accounts. It takes about 30 seconds to create an email account. Q. What kind of support does Gottumblr provide? A. Zombie Kind! Gottumblr provides 24 hour 7 day a week customer service for all issues regarding your domain name, email, sub-domains, and control panel. Visit our support page.
