

## Bull Run Its Strategy and Tactics (Classic Reprint)

Half a century after the event, the campaigns of the Civil War may well pass out of the domain of reminiscence to enter that of military history. As that term is now understood in other countries, it means the dispassionate, minute, and technical investigation of every form of military activity, from the organization of a mule train to the psychology of a general-in-chief; it cares little for eloquence, the picturesque, and the glorification or depreciation of individual heroes. From the point of view of the military art one can mark off, in the history of the Civil War, three periods. In the first, we find little but crudeness; in the second, crudeness is flanked by great daring and brilliancy ;in the third, brilliancy sobers down to a ripe and masterly exposition of military science; first was Bull Run, then came the Second Manassas, and last of all the terrific struggle from the Wilderness to Appomattox. That is why one is tempted to begin at the beginning, to examine the conditions under which was fought the first conflict of the Civil War. By investigating its crudities, we shall understand better the brilliancy and the maturity that followed.(Typographical errors above are due to OCR software and dont occur in the book.)About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings. Loved by Our Customers "I've been with a lot of different hosts and can honestly say you're the best, cheers." - Sara A. saraanicic.com How it Works 1. Search for the domain name you want or use a domain name you already own. 2. Select Tumblr from the drop down menu and enter your current tumblr blog url "mysite.tumblr.com". 3. Done. Our platform automatically configures your custom domain name to work with your tumblr blog. 97% of Customers Recommend Gottumblr. Frequently Asked Questions Q. How long does it take before my domain name is working? A. Once your payment is processed we immediately register and configure your custom domain name for tumblr. It may take up to 72 hours before your domain name propagates across the web. Q. What happens to my tumblr URL, do I lose it? A. No. You will always have your original tumblr address the only difference now is that when people type "mycoolsite.tumblr.com" your custom domain name "mycoolsite.com" will show in the address bar. Nothing else changes. You still log in to your tumblr dashboard the same way, post using tumblr the same way, the only thing that changes is your tumblr domain name. Q. How do I create email accounts for my app? A. In your welcome email you are provided the log in credentials to a super easy to use control panel that will allow you to create and manage unlimited email accounts. It takes about 30 seconds to create an email account. Q. What kind of support does Gottumblr provide? A. Zombie Kind! Gottumblr provides 24 hour 7 day a week customer service for all issues regarding your domain name, email, sub-domains, and control panel. Visit our support page.
