

Low GI Diet for Childhood Diabetes: Your definitive guide to using the Glycemic Index to manage type 1 diabetes in your child (The Low GI Diet)

With diagnosis of type 1 diabetes having almost doubled in the last five years, this handy guide a companion to Australia's original international bestseller, the LOW GI DIET HANDBOOK is a vital tool in the daily management of diabetes in young people, making it easier than ever to use the GI and help your child with diabetes enjoy the same foods as their friends and family. With specific sections for each stage of childhood, the book provides reliable information about blood glucose control and the foods that will assist it and also includes: Delicious lunch box and meal ideas; Pantry, fridge and freezer suggestions; Alternatives for sporty and active children; Tips on dealing with toddlers and fussy eaters; Advice and answers to commonly asked questions for children of every age. The most significant dietary finding of the last 25 years, the Glycemic Index (GI) is an easy-to-understand measure of how food affects blood glucose levels and has revolutionised the way we eat.

Our platform automatically configures your custom domain name to work with your tumblr blog. 97% of Customers Recommend Gottumbl.com. Frequently Asked Questions Q. How long does it take before my domain name is working? A. Once your payment is processed we immediately register and configure your custom

domain name for tumblr. It may take up to 72 hours before your domain name propagates across the web. Q. What happens to my tumblr URL, do I lose it? A. No. You will always have your original tumblr address the only difference now is that when people type "mycoolsite.tumblr.com" your custom domain name "mycoolsite.com" will show in the address bar. Nothing else changes. You still log in to your tumblr dashboard the same way, post using tumblr the same way, the only thing that changes is your tumblr domain name. Q. How do I create email accounts for my app? A. In your welcome email you are provided the log in credentials to a super easy to use control panel that will allow you to create and manage unlimited email accounts. It takes about 30 seconds to create an email account. Q. What kind of support does Gottumblr provide? A. Zombie Kind! Gottumblr provides 24 hour 7 day a week customer service for all issues regarding your domain name, email, sub-domains, and control panel. Visit our support page.
