

Shakespeare's Julius Caesar: With Introduction, Notes, and Examination Papers, Vol. 1 (Classic Reprint)

So oO 0. oz oo ul (0 EDITORS NOTE The text here presented, adapted for use in mixed classes, has been carefully collated with that of six or seven of the latest and best editions. Where there was any disagreement those readings have been adopted which seemed most reasonable and were supported by the best authority. Professor Meiklejohn's exhaustive notes form the substance of those here used; and his plan, as set forth in the General Notice annexed, has been carried out in these volumes. But as these plays are intended rather for pupils in school and college than for ripe Shakespearean scholars, we have not hesitated to prune his notes of whatever was thought to be too learned for our purpose, or on other grounds was deemed irrelevant to it. The notes of other English editors have been freely incorporated. (Typographical errors above are due to OCR software and do not occur in the book.)
