

## The Scots In Early Stuart Ireland: Union and separation in two kingdoms (Studies in Early Modern Irish History MUP)

By exploring Irish-Scottish connections during the period 1603-60 this book brings important new perspectives to the study of the Early Stuart state. Acknowledging the pivotal role of the Hiberno-Scottish world, it identifies some of the limits of England's Anglicising influence in the northern and western British Isles and the often slight basis on which the Stuart pursuit of a new British consciousness operated. Regarding the Anglo-Scottish relationship, it was chiefly in Ireland that the English and Scots intermingled after 1603, with a variety of consequences, often destabilising for English, Scots and Irish. The importance of the Gaelic sphere in Irish-Scottish connections also receives much greater attention here than in previous accounts. This Gaedhealtacht played a central role in the transmission of religious radicalism, both Catholic and Protestant, in Ireland and Scotland, ultimately leading to political crisis and revolution within the British Isles.

Gottumblr configures domain names to work with tumblr Home About Us Contact Us FAQ's Customers Products and Services For Businesses "Take Ownership of what you Create and Express on Tumblr" Call Us! 480-788-4495 How to Get a Free Domain Name for Your Tumblr Blog?
