

# Tank: 100 Years of the Worlds Most Important Armored Military Vehicle

Explore the 100-year evolution of the tank and its role on the battlefield, from World War I to today's armored fighting vehicles. From the Greek phalanx to Roman siege engines, plans by Leonardo da Vinci, and the wondrous imagination of H. G. Wells, the idea of the armored fighting vehicle--the tank--has crossed centuries and given rise to the technologically advanced land warfare systems that populate the armies of countries large and small today. First appearing during World War I as unwieldy boxes mounted on tractor chassis and prone to mechanical failure, tank designs evolved into sleek weapons with the now-classic characteristics of speed, mobility, and firepower. During the 1920s, American Maj. Gen. Adna Chaffee Jr., correctly predicted that mechanized armies would win the land battles of the future. Young US Army officers such as Dwight D. Eisenhower and George Patton risked their careers to champion the development of armored divisions. Modern tanks perform in both offensive and defensive roles, capable of exploiting breaches in enemy defenses and rapidly slashing into rear areas, disrupting communications, supply, and command and control. In *Tank: 100 Years of the Worlds Most Important Armored Military Vehicle*, noted military historian Michael E. Haskew is your guide to the complete 100-year history of these unparalleled machines. He starts with the development of early tanks, moves on to the uses of tanks in World War I, World War II, and the Cold War, and covers the modern armored fighting vehicles in use during the Gulf Wars and in conflicts right up to today.

Gottumblr configures domain names to work with tumblr Home About Us Contact Us FAQ's Customers Products and Services For Businesses "Take Ownership of what you Create and Express on Tumblr" Call Us! 480-788-4495 How to Get a Free Domain Name for Your Tumblr Blog? Get a Custom Domain Name with Tumblr You also get custom e-mail accounts for tumblr and free sitemap submissions You click on the Red Button, your tumblr blog instantly becomes unique, and Gottumblr helps you take ownership of what you create and express on tumblr.
