

drastically reduced strength and mobility? No. No and No! The fact is that many aspects of the ageing process are linked to stress. We experience environmental stress from our surroundings, from the pollution in the air we breathe and the water we drink, from our diet, from our emotional responses and from a host of other factors. As we learn to remove these harmful influences and treat our bodies the way our bodies are crying out to be treated, amazing changes can take place even at a cellular level. Our bodies begin to recover from the constant stress and daily abuse of poor diet, excessive tension, lack of mobility and inflammatory disease. Our bodies, with our help and support, begin to overcome the effects of time. Our bodies start to function the way they're supposed to function. Our bodies start to get younger. It's a totally natural process. And since the skin is the largest organ in the body, the results will show up in our external appearance. Growing Younger Disgracefully is the answer to your quest for youthfulness and ageless vitality! Written by one of the world's leading experts on health, nutrition and wellbeing, this is the essential manual on turning back the biological clock, on maintaining peak health and vitality and living life to the full at every point in your life. The myth of eternal youth may remain a charming fairy story but the power of re-generating long-term youthfulness is now within our reach.
