

Wicked Men Useful in Their Destruction Only

Jonathan Edwards (October 5, 1703 – March 22, 1758) was a preacher, theologian, and missionary to Native Americans. Edwards is widely acknowledged to be America's most important and original philosophical theologian, and one of America's greatest intellectuals. Edwards's theological work is very broad in scope, but he is often associated with his defense of Reformed theology, the metaphysics of theological determinism, and the Puritan heritage. Recent studies have emphasized how thoroughly Edwards grounded his life's work on conceptions of beauty, harmony, and ethical fittingness, and how central The Enlightenment was to his mindset.
