

Write from Ancient History Level 2 Cursive Models: A Complete Ancient History Based Writing Program for the Elementary Writer: Developing Skills with ... Dictation, for Students in Grades 3 through 5

An elementary writing workbook for students in grades 3 to 5 that is based on the teaching methods of Ms. Charlotte Mason. Children acquire basic skills in public speaking with oral narrations. They learn to write complex sentences by copying passages from living books. And they also learn to spell and punctuate via studied dictation. Along with writing instruction, children using this volume learn about ancient history through interesting historical narratives, excerpts from primary source documents, poetry from or about ancient times, and fun cultural tales from around the world. This new writing series, Write from History, is an elementary grade writing curriculum that combines writing, history, and handwriting practice all in one workbook. A writing curriculum that works and saves teachers time by streamlining the educational process. This curriculum comes in an open and go format to ensure ease of use for both the student and the teacher.
